XIOONI Outdoor Camera Solar Panel (BW Series) User Manual

....

Read this manual carefully before use, and retain it for future reference.

Precautions

- The operating temperature range for the solar panel is -20°C to 55°C. Do not use it in environments with temperatures above or below the specified operating range.
- . The solar panel is a precision electronic product with an IP66 dusttight and water-resistant rating. To prevent malfunction, do not use the solar panel in extremely humid environments or locations where water ingress may occur.
- · Be sure to install the solar panel in a location with abundant sunlight and free from any obstructions like tree branches, billboards, or buildings that may impact the conversion efficiency of the solar nanel.
- · To improve the performance of the solar panel, do not place it completely horizontally. Otherwise, dust, soil, or other debris may accumulate on it. Regularly clean the solar panel.
- Stop using the solar panel immediately if you notice any loose wiring or exposed electronics.

- . Do not strike, crush, step on, bend, dismantle, or scratch the solar panel with sharp objects.
- . Do not use or store the solar panel in flammable or explosive areas, nor throw it into a fire.

Warranty Notice

As a Xiaomi consumer, you benefit under certain conditions from additional warranties. Xiaomi offers specific consumer warranty benefits which are in addition to, and not instead of, any legal warranties provided by your national consumer law. The duration and conditions related to the legal warranties are provided by respective local laws. For more information about the consumer warranty benefits, please refer to Xiaomi's official website https://www.mi.com/global/ support/warranty/. Except as prohibited by laws or otherwise promised by Xiaomi, the after-sales services shall be limited to the country or region of the original purchase. Under the consumer warranty, to the fullest extent permitted by law, Xiaomi will, at its discretion, repair, replace or refund your product. Normal wear and tear, force majeure, abuse or damage caused by the user's negligence or fault are not warranted. The contact person for the after-sale service may be any person in Xiaomi's authorized service network, Xiaomi's authorized distributors or the final vendor who sold the products to you. If in doubt please contact the relevant person as Xiaomi may identify.

The present warranties do not apply in Hong Kong and Taiwan. Products which were not duly imported and/or were not duly manufactured by Xiaomi and/or were not duly acquired from Xiaomi or a Xiaomi's official seller are not covered by the present warranties. As per applicable law you may benefit from warranties from the non-official retailer who sold the product. Therefore, Xiaomi invites you to contact the retailer from whom you purchased the product.
