Bezpečnostní opatření

- Při každodenním používání si hodinky pohodlně nasazte kolem zápěstí na první prstouk bez stlačení. Upravte je tak, aby se na srdce neohrožily. Normální sběr dat.
- 4M7SY*ZRLSHMRICOGIRXITSZVJIOZIRGQNXTIWXZOPMHYŠ
- Hodinky maj vodotěsnost 5ATM (50 metrů do hloubky). Měly by se nosit v bazénu, při plavání nebo v jiných aktivitách v mokré vodě. Nelze je v akváriu používat v horké sprše, sauně nebo při potápění. Kromě toho nezapomeňte, aby na hodinky při vodních sportech nemohly působit prudké proudy. Funkce vodotěsnosti není trvalá a může se změnit.
- Dotýká se displeje hodinek nepodporuje operace pod vodou. Pokud se hodinky dostanou do kontaktu s vodou, použijte je až poté, co se zcela vysuší.
- Při každodenním používání se vyhněte příliš těsnému nošení hodinek. Udržujte jejich kontaktní body suché a řemínek pravidelně čistěte vodou. Pokud kontaktní místo na kůži vykazuje známky zarudnutí nebo otoku, okamžitě přestaňte hodinky používat a vyhledejte lékařskou pomoc.
- Ujistěte se, že napájecí adaptér, nabíjecí kabel a hodinky jsou během nabíjení v suchém prostředí. Nedotýkejte se jich mokřima rukama a nevystavujte je dešti ani jiným tekutinám.
- Pokud hodinky nebudete delší dobu používat, po jejich úplném nabíjení je vypněte a poté je uložte na chladném a suchém místě. Hodinky dobijte alespoň jednou za 3 měsíce.
- Provozní teplota hodinek je -10°C až 45°C. Pokud je okolní teplota příliš vysoká nebo příliš nízká, může dojít k poruše hodinek.
- Pokud je displej rozbitý, nedotýkejte se ho ani se ho nepokoušejte vyjmout. Místo toho hodinky okamžitě přestaňte používat a obraťte se na autorizovaný servis.

- Please use the included charging cable to charge the watch. Only use the power adapters that comply with the local safety standards or certified and supplied by qualified manufacturers.
- Do not disassemble, strike, crush or throw the watch into a fire. Stop using the battery immediately if there is any swelling or fluid leakage.
- The watch has a built-in battery. To avoid damage to the battery or the watch, do not disassemble and replace the battery by yourself. Only the authorized service providers can replace the battery; otherwise, it will cause potential dangers even personal injuries if a wrong type of battery is used.
- Disposal of a battery into fire or a hot oven, or mechanically crushing or cutting of a battery, that can result in an explosion.
- Leaving a battery in an extremely high temperature surrounding environment that can result in an explosion or the leakage of flammable liquid or gas.
- A battery subjected to extremely low air pressure that may result in an explosion or the leakage of flammable liquid or gas.
- The watch and its accessories may contain small parts. To avoid choking or other hazards or damages caused by the children, keep the watch out of the reach of children.
- Keep the product's indicator away from the eyes of children and animals while the product is in use.
- This watch is not a medical device, any data or information provided by the watch should not be used as a basis for diagnosis, treatment, and prevention of diseases.
- The product information is listed on the back case of the watch for your reference.

Regulatory Compliance Information

All products bearing this symbol are waste electrical and electronic equipment (WEEE as in directive 2012/19/EU) which should not be mixed with unsorted household waste. Instead, you should protect human health and the environment by handing over your waste equipment to a designated collection point for the recycling of waste electrical and electronic equipment, appointed by the government or local authorities. Correct disposal and recycling will help prevent potential negative consequences to the environment and human health. Please contact the installer or local authorities for more information about the location as well as terms and conditions of such collection points.

EU Declaration of Conformity

Hereby, Xiaomi Communications Co., Ltd. declares that the radio equipment type M2235W1 is in compliance with Directive 2014/53/EU. The full text of the EU declaration of conformity is available at the following internet address: <http://www.mi.com/global/service/support/declaration.html>

Hereby, Xiaomi Communications Co., Ltd. declares that the radio equipment type M2235W1 is in compliance with Radio Equipment Regulations 2017. The full text of the UKCA declaration of conformity is available at the following internet address: <https://www.mi.com/uk/service/support/declaration.html>

This equipment has been tested and meets applicable limits for radio frequency (RF) exposure. Specific Absorption Rate (SAR) refers to the rate at which the body absorbs RF energy. SAR limits depend on whether this equipment is used against the head or on the wrist. The SAR limit is 2.0 watts per kilogram averaged over 10 grams of tissue for use against the head and 4.0 watts per kilogram averaged over 10 grams of tissue for use on the wrist.

During testing, this equipment radios are set to their highest transmission levels and placed in positions that simulate use next to the mouth, with 5 mm separation, and on the wrist, with no separation.

When placing this equipment near your mouth, keep at least 5 mm of separation to ensure exposure levels remain at or below the as-tested levels.

After testing, the highest SAR values are as follows: Next to the mouth: 0.091 W/kg

Wrist: 0.118 W/kg

WARRANTY NOTICE

As a Xiaomi consumer, you benefit under certain conditions from additional warranties. Xiaomi offers specific consumer warranty benefits which are in addition to, and not instead of, any legal warranties provided by your national consumer law. The duration and conditions related to the legal warranties are provided by respective local laws. For more information about the consumer warranty benefits, please refer to Xiaomi's official website <https://www.mi.com/en/service/warranty/>. Except as prohibited by laws or otherwise promised by Xiaomi, the after-sales services shall be limited to the country or region of the original purchase. Under the consumer warranty, to the fullest extent permitted by law, Xiaomi will, at its discretion, repair, replace or refund your product. Normal wear and tear, force majeure, abuse or damage caused by the user's negligence or fault are not warranted. The contact person for the after-sale service may be any person in Xiaomi's authorized service network, Xiaomi's authorized distributors or the final vendor who sold the products to you. If in doubt please contact the relevant person as Xiaomi may identify.

The present warranties do not apply in Hong Kong and Taiwan.

Products which were not duly imported and/or were not duly manufactured by Xiaomi and/or were not duly acquired from Xiaomi or a Xiaomi's official seller are not covered by the present warranties. As per applicable law you may benefit from warranties from the non-official retailer who sold the product.

Therefore, Xiaomi invites you to contact the retailer from whom you purchased the product.

Disclaimer: The illustrations of the product, accessories, user interfaces, and other elements in this User Manual are schematic diagrams for reference only, and they may be slightly different from the actual product. This manual is published by Xiaomi or an enterprise in Xiaomi's ecosystem. Typographical errors and inaccurate information in this manual or the related programs and/or equipment may change without prior notice. Such changes will be indicated in the latest version of the manual.
